

Point from GOP Policy	Correlated page # from project 2025	Notes		
<p>1. SEAL THE BORDER, AND STOP THE MIGRANT INVASION</p>	<p>12*, 143, 145, 150, 151, 167</p>	<p>"Illegal immigration should be ended, not mitigated; the border sealed, not reprioritized" (12)</p> <p>"Since January 2021, USCIS's priorities have been misaligned, and this has transformed it into an open-borders agency, ignoring the critical role that it plays in national security, public safety, and safeguarding the integrity of our immigration system" (143)</p> <p>"The incoming Administration should spearhead an immigration legislative agenda focused on creating a merit-based immigration system that rewards high-skilled aliens instead of the current system that favors extended family-based and luck-of-the-draw immigration" (145)</p> <p>"Congress should require compliance with immigration detainers to the maximum extent consistent with the Tenth Amendment and set financial disincentives for jurisdictions that implement either official or unofficial sanctuary policies" (150)</p> <p>"Recommend negotiations with Mexico to fully implement the Remain in Mexico Protocols" (151)</p> <p>"...including using military personnel and hardware to prevent illegal crossings between ports of entry and channel all cross-border traffic to legal ports of entry" (167)</p>		
<p>2. CARRY OUT THE LARGEST DEPORTATION OPERATION IN AMERICAN HISTORY</p>	<p>135, 142</p>	<p>"Prioritizing border security and immigration enforcement, including detention and deportation, is critical if we are to regain control of the border, repair the historic damage done by the Biden Administration, return to a lawful and orderly immigration system, and protect the homeland from terrorism and public safety threats" (135)</p> <p>"ICE Enforcement and Removal Operations (ERO) should be identified as being primarily responsible for enforcing civil immigration regulations, including the civil arrest, detention, and removal of immigration violators anywhere in the United States, without warrant where appropriate, subject only to the civil warrant requirements of the INA where appropriate" (142)</p> <p>"To maximize the efficient use of its resources, ICE should make full use of existing Expedited Removal (ER) authorities. The agency has limited the use of ER to eligible aliens apprehended within 100 miles of the border. This is not a statutory requirement" (142)</p>		
<p>3. END INFLATION, AND MAKE AMERICA AFFORDABLE AGAIN</p>	<p>1, 511, 692, 800</p>	<p>"Inflation is ravaging family budgets..." (1)</p> <p>"Along the same lines, Congress can propose tax credits for the renovation or repair of housing stock in rural areas so that more Americans are able to access the American Dream of homeownership" (511)</p> <p>"...the worst inflation in four decades..." (692)</p>	<p>"Implement tariff relief to help counteract inflation by reducing prices for affected goods as well as to strengthen supply chains and boost manufacturing." (800)</p>	
<p>4. MAKE AMERICA THE DOMINANT ENERGY PRODUCER IN THE WORLD, BY FAR!</p>	<p>363*, 364, 365, 520</p>	<p>"American Energy Dominance. Access to affordable, reliable, and abundant energy is vital to America's economy, national security, and quality of life" (363)</p> <p>"A conservative President must be committed to unleashing all of America's energy resources and making the energy economy serve the American people, not special interests" (364)</p> <p>"Ensure that the Nuclear Regulatory Commission facilitates rather than hampers private-sector nuclear energy innovation and deployment" (365)</p> <p>"...no other initiative is as important for the DOI under a conservative President than the restoration of the department's historic role managing the nation's vast storehouse of hydrocarbons, much of which is yet to be discovered" (520)</p>		

<p>5. STOP OUTSOURCING, AND TURN THE UNITED STATES INTO A MANUFACTURING SUPERPOWER</p>	<p>13, 97, 657*, 765*, 803</p>	<p>"Our manufacturing and industrial base should be restored, not allowed to deteriorate further" (13)</p> <p>"Manufacturing components and end products domestically and with allies spurs factory development, increases American jobs, and builds resilience in America's defense industrial base" (97)</p> <p>"For several decades, establishment "elites" have failed the citizenry by... outsourcing manufacturing to China and elsewhere" (657)</p> <p>"The United States of America is the world's dominant superpower and remains the world's arsenal of democracy. To maintain that global positioning—and thereby best protect the homeland and our own democratic institutions—it is critical that the United States strengthen its manufacturing and defense industrial base at the same time that it increases the reliability and resilience of its globally dispersed supply chains. That will necessarily require the onshoring of a significant portion of production currently offshored by American multinational corporations" (765)</p> <p>"Extensive growth is doing more with more; intensive growth is doing more with less. That is where America's superpower lies. The story of American manufacturing is one of intensive growth dating back to our agricultural origins. Conservative leaders should draw on this history to position America for continued success. With intensive growth, it is not manufacturing or services; it is manufacturing and services" (803)</p>		
<p>6. LARGE TAX CUTS FOR WORKERS, AND NO TAX ON TIPS!</p>	<p>698, 885</p>	<p>"The federal income tax system heavily taxes capital and corporate income and discourages work, savings, and investment" (698)</p> <p>"...the Trump Administration cut taxes and eliminated unnecessary regulations, creating a growing economy and the lowest unemployment rate in five decades—including among minorities and women" (885)</p>		
<p>7. DEFEND OUR CONSTITUTION, OUR BILL OF RIGHTS, AND OUR FUNDAMENTAL FREEDOMS, INCLUDING FREEDOM OF SPEECH, FREEDOM OF RELIGION, AND THE RIGHT TO KEEP AND BEAR ARMS</p>	<p>3, 560, 586</p>	<p>"The next conservative President must defend our First Amendment rights" (3)</p> <p>"The next conservative Administration must ensure that the DOJ zealously guards the constitutional rights of all Americans in all that it does" (560)</p> <p>"The President should make clear via executive order that religious employers are free to run their businesses according to their religious beliefs, general nondiscrimination laws notwithstanding, and support participation of religious employees and employers as federal contractors and in federal activities and programs" (586)</p>		

<p>8. PREVENT WORLD WAR THREE, RESTORE PEACE IN EUROPE AND IN THE MIDDLE EAST, AND BUILD A GREAT IRON DOME MISSILE DEFENSE SHIELD OVER OUR ENTIRE COUNTRY -- ALL MADE IN AMERICA</p>	<p>97, 126, 185, 765</p>	<p>"Prioritize the U.S. and allies under the "domestic end product" and "domestic components" requirements of the Build America, Buy America Act.5 Currently, defense companies are required to manufacture defense items for the U.S. government that are 100 percent domestically produced and at least 50 percent composed of domestically produced components. However, there are loopholes that allow companies to manufacture these items overseas. This can create supply chain and other issues, especially in wartime. Manufacturing components and end products domestically and with allies spurs factory development, increases American jobs, and builds resilience in America's defense industrial base" (97)</p> <p>"The United States currently deploys 44 Ground-Based Interceptors (GBIs) as part of its Ground-based Midcourse (GMD) system to defend the homeland against North Korea, but as North Korea improves its missile program, this system is at risk of falling behind the threat. Buy at least 64 of the Next Generation Interceptor (NGI), which is more advanced than the GBI, for an eventual uniform fleet of interceptors. The Biden Administration currently plans to buy only 20. Consider additional steps to strengthen the GMD system such as a layered missile defense or a third interceptor site on the East Coast" (126)</p> <p>"Third, it is in the U.S. national interest to build a Middle East security pact that includes Israel, Egypt, the Gulf states, and potentially India, as a second "Quad" arrangement. Protecting freedom of navigation in the Gulf and in the Red Sea/Suez Canal is vital to the world economy and therefore to U.S. prosperity as well. In North Africa, security cooperation with European allies, especially France, will be vital to limit growing Islamist threats and the incursion of Russian influence through positionings of the Wagner Group" (185)</p> <p>"The United States of America is the world's dominant superpower and remains the world's arsenal of democracy. To maintain that global positioning—and thereby best protect the homeland and our own democratic institutions—it is critical that the United States strengthen its manufacturing and defense industrial base" (765)</p>		
<p>9. END THE WEAPONIZATION OF GOVERNMENT AGAINST THE AMERICAN PEOPLE</p>	<p>xiv*, 43, 135*, 161*, back cover*</p>	<p>"The federal government is a behemoth, weaponized against American citizens and conservative values, with freedom and liberty under siege as never before" (xiv)</p> <p>"DHS has also suffered from the Left's wokeness and weaponization against Americans whom the Left perceives as its political opponents. To truly secure the homeland, a conservative Administration needs to return the department to the right mission, the right size, and the right budget" (135)</p> <p>"The Office of Intelligence and Analysis should be eliminated both because it has not added value and because it has been weaponized for domestic political purposes" (161)</p> <p>"A sweeping plan to end the weaponization of the government against Americans and the values they care about" (back cover)</p>	<p>"...the increasing reality that many agencies are not only too big and powerful, but also increasingly weaponized against the public and a President who is elected by the people and empowered by the Constitution to govern." (43)</p>	

<p>10. STOP THE MIGRANT CRIME EPIDEMIC, DEMOLISH THE FOREIGN DRUG CARTELS, CRUSH GANG VIOLENCE, AND LOCK UP VIOLENT OFFENDERS</p>	<p>141*, 142, 148, 183, 285*, 555*</p>	<p>"However, before congressional action, ICE should be directed to take custody of all aliens with records for felonies, crimes of violence, DUIs, previous removals, and any other crime that is considered a national security or public safety threat as defined under current laws" (141)</p> <p>"Safeguarding Americans will require not just securing the border, but continuous vetting and investigations of many aliens who exploited President Biden's open border" (142)</p> <p>"These Mexican cartels are working closely with Chinese fentanyl precursor chemical manufacturers, importing those precursor chemicals into Mexico, manufacturing fentanyl on Mexican soil, and shipping it into the United States and elsewhere. The highly potent narcotic is having an unprecedented lethal impact on the American citizenry. The next Administration must leverage its new insistence on a sovereign Mexico and work with other Western Hemisphere partners to halt the fentanyl crisis and put a decisive end to this unprecedented public health threat" (183)</p> <p>"...DOJ should target violent and career criminals, not parents; work to dismantle criminal organizations, partly by rigorously prosecuting interstate drug activity..." (285)</p> <p>"Mexico—which is arguably functioning as a failed state run by drug cartels—is the main point of transit for illegal drugs produced in Central and South America, fentanyl precursors from the Chinese Communist Party—led People's Republic of China,49 weapons, human smuggling and trafficking, and other contraband. Mexican drug cartels, including the dominant Sinaloa Cartel and the Jalisco New Generation Cartel (CJNG), are the main drivers of fentanyl production and distribution in the United States. The southwestern land border is sufficiently porous that Mexican drug cartels have operational control of large sections of the border, which facilitates easy movement of product and personnel. These cartels are also violent and not afraid to demonstrate force on both sides of the border. Their conduct represents a clear and present danger to the United States and its citizens"</p>	<p>"...provide a clear definition with parameters that at a minimum codify the holding in Matter of A-B that gang violence and domestic violence are not grounds for asylum." (148)</p>	
<p>11. REBUILD OUR CITIES, INCLUDING WASHINGTON DC, MAKING THEM SAFE, CLEAN, AND BEAUTIFUL AGAIN.</p>	<p>5, 511</p>	<p>"But even before we achieve that long-term goal, parents' rights as their children's primary educators should be non-negotiable in American schools. States, cities and counties...who disagree should be immediately cut off from federal funds." (5)</p> <p>"For these reasons, American homeowners and citizens know best what is in the interest of their neighborhoods and communities. Localities rather than the federal government must have the final say in zoning laws and regulations, and a conservative Administration should oppose any efforts to weaken single-family zoning. Along the same lines, Congress can propose tax credits for the renovation or repair of housing stock in rural areas so that more Americans are able to access the American Dream of homeownership." (511)</p>		
<p>12. STRENGTHEN AND MODERNIZE OUR MILITARY, MAKING IT, WITHOUT QUESTION, THE STRONGEST AND MOST POWERFUL IN THE WORLD</p>	<p>94, 96, 102, 108 *almost exact wording*; 108-127</p>	<p>"The United States manifestly needs to modernize, adapt, and expand its nuclear arsenal" (94)</p> <p>"Strengthen America's defense industrial base" (96)</p> <p>"We must restore our military to a place of honor and respect and recruit and retain the individuals who will meet the rigorous standards of excellence that are required for membership in the world's greatest fighting force" (102)</p> <p>"Increase the Army budget to remain the world's preeminent land power." (108)</p> <p>"Returning the U.S. military to a force that can achieve deterrence or win in a fight if necessary requires returning to a threat-based defense strategy" (113)</p>		
<p>13. KEEP THE U.S. DOLLAR AS THE WORLD'S RESERVE CURRENCY</p>	<p>736*</p>	<p>"increase both the dominant role of America's financial industry and the use of the U. S. dollar as the global currency of choice." (736)</p>		
<p>14. FIGHT FOR AND PROTECT SOCIAL SECURITY AND MEDICARE WITH NO CUTS, INCLUDING NO CHANGES TO THE RETIREMENT AGE</p>	<p>77, 710</p>	<p>77: general retirement benefits protections</p> <p>"Other issues of concern [for the Treasury Department] include...Social Security and Medicare Trust Funds and private sector pensions..." (710)</p>		

<p>15. CANCEL THE ELECTRIC VEHICLE MANDATE AND CUT COSTLY AND BURDENSOME REGULATIONS</p>	<p>286*, 537*</p>	<p>"...respect the right of Americans to buy and drive cars of their own choosing, rather than trying to force them into electric vehicles." "End federal mandates and subsidies of electric vehicles" (537)</p>		
<p>16. CUT FEDERAL FUNDING FOR ANY SCHOOL PUSHING CRITICAL RACE THEORY, RADICAL GENDER IDEOLOGY, AND OTHER INAPPROPRIATE RACIAL, SEXUAL, OR POLITICAL CONTENT ON OUR CHILDREN</p>	<p>5*</p>	<p>"The noxious tenets of "critical race theory" and "gender ideology" should be excised from curricula in every public school in the country." (5)</p>		
<p>17. KEEP MEN OUT OF WOMEN'S SPORTS</p>	<p>8, 332, 584</p>	<p>"Bureaucrats at the Department of Justice force school districts to undermine girls' sports and parents' rights to satisfy transgender extremists" (8) "OCR...proposed to create and collect data on a new 'nonbinary' sex category...and to retire data collection that indicates the number of (1) high school-level interscholastic athletics sports in which only male and female students participate, (2) high school-level athletics teams in which only male or female students participate, and (3) participants on high school-level interscholastic athletics sports teams in which only male or only female students participate...The new Administration must quickly move to rescind these changes" (332) "The new Administration should restrict Bostock's application of sex discrimination protections to sexual orientation and transgender status in the context of hiring and firing" (584)</p>		
<p>18. DEPORT PRO-HAMAS RADICALS AND MAKE OUR COLLEGE CAMPUSES SAFE AND PATRIOTIC AGAIN</p>	<p>185: no mention of campuses/supporters, but states that US will continue to back Israel to defeat Palestine</p>	<p>"...ensuring Israel has both the military means and the political support and flexibility to take what it deems to be appropriate measures to defend itself against the Iranian regime and its regional proxies Hamas, Hezbollah, and Palestinian Islamic Jihad." (185)</p>	<p>can't actually find anything in the 2025 document that indicates deporting Palestine supporters/any info about college campuses protests (project 2025 doc is from 2023—could be why there's no mention of campus protests.)</p>	
<p>19. SECURE OUR ELECTIONS, INCLUDING SAME DAY VOTING, VOTER IDENTIFICATION, PAPER BALLOTS, AND PROOF OF CITIZENSHIP</p>	<p>562, 861</p>	<p>"The Attorney General in the next conservative Administration should reassign responsibility for prosecuting violations of 18 U.S. Code § 24176 from the Civil Rights Division to the Criminal Division where it belongs" (562) "The FEC has no authority over the administration of federal elections, which is performed by state governments." (861)</p>		
<p>20. UNITE OUR COUNTRY BY BRINGING IT TO NEW AND RECORD LEVELS OF SUCCESS</p>	<p>1, 9, 16,</p>	<p>"This book, this agenda, the entire Project 2025 is a plan to unite the conservative movement and the American people against elite rule and woke culture warriors." (16)</p>	<p>"Indeed, one set of eyes reading these passages will be those of the 47th President of the United States, and we hope every other reader will join in making the incoming Administration a success." (1)</p>	<p>"The United States belongs to "We the people." All government authority derives from the consent of the people, and our nation's success derives from the character of its people." (9)</p>
